PROFILE

Video editor and motion designer who turns raw footage into stories people actually stop scrolling for. Currently editing **news reels and social reports for Al Arabiya & Al Hadath at MBC Group**, with 8 years across broadcast, agency and freelance work. Fast under deadline pressure, precise to the frame, and fluent in every format — documentary storytelling, collage motion, kinetic typography, social-first reels, ads and AI-generated video.

EXPERIENCE

Video Editor
NOV 2023 — PRESENT

MBC Group · Al Arabiya & Al Hadath

- Edit fast-turnaround news stories and social-first reports for Al Arabiya and Al Hadath digital platforms.
- Build vertical explainers and breaking-news packages with motion graphics, lower thirds, captions and sound design.

Freelance Video Editor & Motion Designer
2018 — PRESENT

Self-employed · Remote clients

- News explainer reels for Washington Eye in a signature cinematic collage style ("Washington Mix").
- Motion graphics for brands: 3D collage showcases, minimal kinetic typography and UI/widget animation.
- Social reels for medical and dental clinics, ads and brand content (Africalix); AI video production.

Video Editor
